Reasons for Allowance

Claims 1-14 are allowed.

This is examiner's statement of reasons for allowance.

The instant invention recites a scanner, comprising: a housing;

a carriage which is movable inside the housing; and

a scan-starting device, for starting the scanner to proceed scanning, the scan-starting device comprising:

a trigger section situated on the carriage; and

a key section, situated on the housing, for acting on the trigger section to enable the trigger section to output a signal to start the scanner to proceed scanning, wherein the key section comprises:

a key, which is installed on a panel of the housing; and

an extension part, extended from the key through an opening of the panel, for moving back and forth inside the panel to trigger the signal from the trigger section.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
